

S.AVE O.UR S.TORIES

For the past 10 years, *IDAHO magazine* has been saving many of the best Idahoans have to share. Now we're working on getting them on the Internet to share them with our students, our teachers...and the rest of the world, too. Become a part of our history project. Donations of \$25 or more can be counted toward the project. For \$28,000, you can be a full "Title" sponsor and have the first few pages of the issue with your own story, your town's story, your business, or to memorialize a loved one. Once it's up online, it can be read, downloaded, printed out or linked to your website --and it's permanent! This price is less than 10 cents per student currently in Idaho's schools. Amortize it over future years, and you've made the best bargain since Seward bought Alaska for two cents an acre. *IDAHO magazine* is the award-winning monthly magazine that's been telling your stories in the words and photos of hundreds of your fellow Idahoans since October 2001.
