Become a part of our history project by sponsoring online issues of IDAHO magazine.

For 10 cents per student per issue for each of Idaho's current students, we will post *IDAHO magazine* onto our website and the Idaho Communities Libraries website. The history and heritage of Idaho they contain will be available to students, teachers—and everyone who loves Idaho—permanently.

Your sponsorship provides everyone in the world a quality publication that will:

- Inform and entertain • Help teachers educate students • Last a lifetime
- Give Idahoans of all ages an opportunity to publish their stories and photos
- Give Idaho's small towns a chance to shine along with the big ones.
- Give Idaho the polished image it deserves

Pencils cost more than a dime. You could get a couple of sheets of paper, but you can't buy a book, CD, video, or a multi-volume book. For only \$9.60 we can provide the first eight years of *IDAHO magazine* for one student.

Make a permanent donation to future generations. You sponsor the magazines for the kids, and we'll include the rest of the world.
